

Team Name: sdmay23-50

Team Members: Marcus Jakubowsky, Jacob Houts, Joseph Edeker, Jaden Forde, Rowan Collins, Thomas Glass

Report Period: 9/5/22 - 9/30/22

### **Summary of Progress in this Period**

- Formed group and created our team contact.
  - Met with Prof Goce and began to determine the scope of the project.
  - Completed initial draft of the user needs section of the design document.
- 

### **Pending Issues**

- Project context readings
  - Requirements gathering
- 

### **Plans for Upcoming Reporting Period**

Next week we should have a full understanding of our project as well as a solid draft of our requirements and what we will be outlining for the design process in the future.
